Raleigh, Friday, February 14, 1868.

THE Radical party has determined upon another wanton and disgraceful exhibition of treachery and of power. It has hitherto hesitated to adopt no means, however repugnant to good sense, constitutional law or decency, provided it conduced to its success. The whole plan of reconstruction, which its representatives in Congress have originated, has for its object the perpetuation of its rule. Its professions of anxiety for the welfare of the negro have been, and are now, hollow and insincere and are made for the purpose of concealing its unterior designs. It cares nothing for the negro save as an instrument.

The Freedman's Bureau, professedly created for his good, is in fact a gigantic swindle upon the philanthropy of the people of the nation—a scheme by which to manipulate negro votes in the Southern States in the interests and for the advancement of the Radical party. It had its birth in this purpose, and will hold its life, so long as its efficiency therefor remains unimpaired.

For proof of the designs of the party, we refer our readers to the bill introduced into the Senate, on Wednesday, by Mr. Sherman, of Ohio, which, after stating that the Constitution prepared by the Convention of Alabama had been ratified by the people, declares that State entitled to representation in Congress.

The acts of Congress, by virtue of which the election was held, provide that unless a majority of the registered voters, in any State, shall vote on the question of ratification that the Constitution shall have no force or effect. A majority of such voters in Alabama have not so voted, unless our information be false, and the Constitution has not been ratified, as declared by Mr. Sherman. The election began on the 4th. By the order of General Meade, providing for the election, it was to continue until the evening of the 5th. He subsequently extended the time for voting three days, so that the polls were closed on Saturday last. The returns of the election were required by law to be sent to General Meade. We have seen no official announcement of the result. How could Senator Sherman have known that result on Wednesday, three days after the conclusion of the election, when the agents of the press have been unable to obtain it? Can any sane man, who knows anything of the postal facilities in the Southern States, dare say that he believes that Mr. Sherman knew the facts to be as he stated them in the bill which he introduced on Wednesday. It was simply impossible for the returns to have reached General Meade's headquarters at the time of Senator Sherman's declaration on the floor of Congress that the Constitution had been ratified.

It was quite a month after the election held in this State, last November, before General Canby officially published the result of that election. We do not believe that Alabama is in any better condition, so far as postal matters are concerned, than North Carolina. We do believe that her people have, in accordaace with the act of Congress permitting it, refrained from voting and thereby fairly and legitimately defeated the Constitution. We believe, also, that this bill of Mr. Sherman's will become a law and that the people of Alabama are to be deliberately swindled of their rights by *ex post facto* legislation.

The truth is that the States of the South are to be reconstructed whether the people of these States desire reconstruction or not. The truth is that the Republican party needs the negro vote of the Southern States in the approaching Presidential campaign, and are determined to have it, let the means whereby it is gotten be as destructive to liberty and as violative of law and justice as they may. The truth is that the Conventions that have been and are now in session, are miserable and flimsy farces, called to conceal its designs, and paid for out of the earnings of an unwilling and impoverished people. The truth is, also, that the government is drifting, yea rushing into anarchy—and after that despotism; that even while we write the temple of republicanism is being sacrilegiously razed, and upon its ruins is rising another government, in which Congress will have supreme control, for there will be neither President nor courts—neither law nor liberty.

We are powerless. Our only hope for rescue is in the courage and the labor of Northern Democrats. Nothing else is left us save hope, and there only can she find an abiding place.

◆

OUR readers, doubtless, recollect the letter written by Mr. Battle in reply to an ordinance of the Convention directing him to pay the expenses of the Convention on the warrant of the President of the body, in which he declined to comply with the ordinance, giving therefor reasons which satisfied every candid mind of the correctness of his determination. The matter was then referred to General Canby, who sustained Mr. Battle and directed the Convention to levy a tax as provided by the Reconstruction Acts for meeting its expenses.

Mr. Battle was furnished, on yesterday, with the following order:

HEADQ'RS SECOND MILITARY DISTRICT,
Charleston, S. C., Feb. 12, '67.

General Orders, No. 20.

The Constitutional Convention assembled in North Carolina, under the authority of the laws of the United States, having, in conformity with the eighth Section of the law of March 23, 1867, (supplementary to the law of March 2, 1867, "To provide for the more efficient government of the rebel States,") by an Ordinance adopted in Convention on the 6th day of February, 1868, provided for the levy and collection of a tax of one-twentieth of one per cent. on the real and personal property in the State, to raise monies to pay the expenses of said Convention; and having directed that the tax so provided for shall be paid into the Treasury of the State in reimbursement for advances made from the said Treasury, for the purpose of defraying the current expenses of the Convention, the payment of its officers, members and contingent accounts: It is ordered,

First. That the assessors of taxes in the State of North Carolina shall add to the assessments already made or about to be made for the year 1868 under the authority of the laws of the State, the tax levied under the ordinance before cited and hereinafter published, and the collectors of taxes will proceed to collect the same at the time and in the manner prescribed by the laws of the State for State taxes, and pay the same into the Treasury of the State.

Second. That the Treasurer of the State is hereby authorized and directed to pay the *per diem* and mileage of the delegates, the compensation of the officers, and the contingent expenses of the Convention, upon the warrants of the President, in the usual form.

By command of Bvt. Major-General E. R. S. CANBY,

LOUIS V. CAZIARC,
Aide-de-Camp, A. A. A. G.

This, as our readers will see, is a positive order to the Treasurer. He cannot remove the funds, for that would be a conversion thereof and amount to a forfeiture of his bond. He has therefore determined to comply with the order of Gen. Canby, and gladden the hearts of the delegates to the so-called Convention by paying their coveted *per diem* and mileage.

THE CANBY & COWLES MINSTRELS!

TAME PERFORMANCE OF "YE ANIMILES."

THE TOURGEE OUT OF WIND!

(BY OUR SPECIAL REPORTER UNDER THE TABLE.)

[The reader is particularly requested to remember the fact that no Reporter for this paper is allowed on the floor, in the halls or in the galleries of the Convention, and consequently our reports are made from under the table, behind the scenes, or as may be otherwise ordered and convenient.]

THE TWENTY-SEVENTH DAY.

THURSDAY, Feb. 13, 1868.

The performance commenced at 10, A. M., according to programme.

This journal of the previous day was read and approved.

Galloway, clay-bank nigger, of New Hanover, presented a letter of instructions from the Radical committee of New Hanover county, instructing their delegates to vote against any proposition for a general amnesty. Referred.

Mr. Candler, a petition for divorce from Matilda Anderson and Madison Anderson, of Madison County. Referred.

A sanonymous communication from Philadelphia to Manager Kowles, in regard to the State debt, was read and referred to the committee on Finance.

Mr. Ashley, Pilgrim, objected to sanonymous communications being referred.

The Manager then ordered it to be turned over to our Reporter *under* the table.

ORDINANCES, &C.

Mr. Sweet, an ordinance in regard to the collection of taxes in the city of Newbern. Referred.

Mr. Rich, an ordinance for establishing a land and immigration agency. Provides that the agent shall serve for four years at a salary of $2 500, and have an office in New York. Ordered to be printed.

Leaves of absence were granted Hyman and Eppes, niggers.

Mr. Stilly, a resolution requesting Congress to reduce the tax on distilled spirits other than from grain. Referred.

Mr. Rodman, an ordinance for the relief of the people. Ordered to be printed.

Mr. Abbott, Shaker, an ordinance in regard to the previous question.

The Shaker moved its adoption, and Manager Kowles declaring it an amendment to the rules, put it by division, and the resolution was carried.

The Tourgee, Judge, (?) offered a resolution providing for two sessions of the Konvenshun daily, on and after Friday the 14th—one beginning at 10, A. M., and the other at 7½, P. M.

The resolution was adopted.

Mr. Forkner, an ordinance instructing the Judiciary Committee to report a resolution allowing citizens to practice law in this State upon establishing a good moral character [No chance for Tourgee,] and upon payment of fees.

Mr. Graham, of Orange, said as the law now stood a man could plead his own cause in the Courts, but those [like Tourgee,] who did it without any knowledgr, whatever, of law, generally found out that he had a fool [or a Tourgee, term synonomous] for a client.

Mr. Jones, the Knight of the Sorrowful Figure, of Washington, opposed its adoption.

The ordinance was put and carried.

Mr. Watts, the greasy delegate from Martin, presented an ordinance for the relief of the *dear* (!) people. [Gracious! how Watts does love the people.] His bill went over *under* the rules.

SPECIAL ORDER.

The report of the committee on the preamble and the bill of rights being the special order, Mr. Sweet asked that it be laid over until 11 o'clock to-morrow, as the chairman of that committee was unable to attend on account of illness.

Mr. Sweet then asked to take into consideration the report of the Committee on Legislature, and also the supplementary report of the same, which was agreed to.

The report was read in full; also the report of the minority, signed by Williams, of Sampson, and Marler.

Sec. 1—Adopted.

Mr. Graham, of Orange, moved to strike out "annually," in the 2d line of 2d section, and insert "bi-eninally," which motion was lost, and the second section adopted as reported.

Sec. 3—Adopted.

Sec. 4. Mr. Sweet asked that the substitute in the supplementary report be read, which is as follows:

"Until the General Assembly shall have made the apportionment as hereinafter provided, the Senate shall be composed of members elected from the several districts in the following manner, to wit: 1st District—Perquimans, Pasquotank, Camden, Chowan, Currituck and Gates shall elect two Senators."

Mr. Graham, of Orange, moved to amend by inserting the apportionment for the Senate by the Convention of 1865 being based on property qualifications. He said that this basis had been in use from the beginning of the government, and afforded protection to the property holders, and he wished gentlemen to go on record in the matter.

Messrs. Sweet, McDonald, of Chatham, Congleton, French, of Chowan, and French, of Bladen, opposed the amendment.

Mr. Graham, of Orange, then explained his amendment as not wishing a property qualification for voters, but only wanted a property qualification as a basis of representation.

Mr. Kinney was in favor of an *ad valorem* taxation.

Mr. Marler wanted a property qualification for representation.

The question was then put on the substitute of Mr. Graham, and resulted, ayes, 17; nays, 87.

That portion of the reports which affects the first district was then about to be put, when

Mr. Pool offered this amendment: Strike out section 3, and insert as a substitute:

"The basis of representation in the Senate shall remain as it is until 1871, then the General Assembly shall apportion it according to population."

Mr. Pool was opposed to putting such an issue before the people at this time. His constituents would oppose a change in the basis of representation just now.

Mr. Abbott hoped the report would pass.

Mr. May could see no reason that as the majority of the Convention had favored this charge, why they should do anything to accommodate the few. He wanted the peop'e represented and not the property. The amendment was put and lost.

At the suggestion of the Chairman of the Committee, it was determined to consider the whole apportionment, in order to facilitate amendments, if any were proposed.

Mr. Sweet gave notice that he would move the incorporation of Transylvania with Henderson.

Mr. Rodman gave notice that he would amend by putting Beaufort and Martin together; also Washington, Hyde and Tyrrell together.

To these amendments, Mr. Sweet, the Chairman of the Committee, assented.

Mr. Jones of Washington, objected to the incorporation of Washington, Hyde and Tyrrell, and preferred the present state of things.

Mr. Watts had no objection to Washington and Martin, but did object to Tyrrell, and would rather go to Beaufort than that.

Mr. Ellis moved the recommitment of the whole report, as regards the apportionment contained in the 4th section, as it would do great injustice to his section of the country.

Mr. Rich concurred in recommitting the 4th section.

Mr. Sweet hoped the report would not be recommitted, as the committee had done the best it could.

Mr. Tourgee also hoped it would not be recommitted, as the committee had done more with the subject than the whole house could in five weeks.

Mr. Jones, of Washington, said it was a matter of impossibility to make every line in such a subject compare with each other without some disagreement. It would be best to stand by the action of the committee, and moved that the house vote upon the entire subject of the 4th section.

The motion to recommit was put and lost.

Mr. Ellis then moved that further consideration of the 4th section be postponed until to-morrow, which motion was lost.

Mr. Rodman moved to recommit the 3rd and 4th sections to the Committee for re-arrangement, stating that he would abide the decision of the Committee.

Mr. Ellis moved to amend the motion by including the 37th district, which Mr. Rodman accepted, and the motion was lost.

Mr. Jones, of Washington, moved that the house vote on the adoption of the whole of section 4, without amendment, which prevailed.

From section 5, down to section 26, were adopted.

Messrs. Rich and Nicholson offered amendments to the 27th section, but withdrew them at the suggestion of Mr. Sweet, which was that the same oath be required of members on taking their seats as administered to executive officers.

Mr. Abbott moved to amend by striking out all after "affirmation" in the second line, down to "and" in the 6th line, and insert the words, "that he will support the Constitution and laws of the United States, and the Constitution of the State of North Corolina," which motion prevailed, and the section as amended was adopted.

Section 28 was amended and adopted.

Section 29 was adopted.

The 30th section was adopted by placing in the blanks occurring in the section, the words "first Thursday in August," and adding to the section the words "but the General Assembly shall change the time of holding the election—the first election shall be held when the vote shall be taken on the adoption of this Constitution by voters of the State, and the General Assembly then elected shall meet on the 30th day after the approval thereof by the Congress of the United States if it fall not on a Sunday, but if it shall so fall, then on the next day thereafter, and the members then elected shall hold their seats until their successors are elected at a regular election."

Here the performance closed.

NEWS AND MISCELLANY.

The New York Citizen, edited by Miles O'Reilly, says that "if General Grant casts his lot with Congress, he will be the most disgracefully beaten candidate for the Presidency that ever ran in the United States."

The trial of Rev. H. S. Tyng, Jr., commenced before the Board of Presbyters at the chapel of St. Peter's church, New York, on Monday. A letter from Jay Cooke was read by the President of the Board, urging that the laity were on the side of Mr. Tyng, and that the Board ought not to render a decision calculated to increase differences in the church. The evidence for the prosecution was taken, showing that Mr. Tyng preached in a Methodist church in New Brunswick, read prayers out of a Methodist book of Common Prayer, gave out the lines of purely Methodist hymns, and wore instead of the orthodox Episcopal surplices and gown, a full suit of Methodistic black. The assemblage that formed the audience at the trial enjoyed some of the comical portions of it with great zest.

Harry Macarthy has turned up again, and is giving entertainments in Atlanta, Ga.

THE

NORTH CAROLINIAN,

A DAILY,

Democratic Newspaper,

PUBLISHED AT

RALEIGH, N. C.

W. A. HEARNE, JOHN W. DUNHAM,

EDITORS.

The NORTH CAROLINIAN is Democratic in its principles. It is unalterably opposed to Negro Suffrage, Military rule, and Reconstruction upon the basis of Congressional enactment.

Its Editors believe and teach that this is a

WHITE MAN'S GOVERNMENT,

FRAMED BY THE BRAINS, AND

WON BY THE BLOOD OF WHITE MEN,

FOR THE BENEFIT OF WHITE MEN,

AND THAT IT SHOULD BE

CONTROLLED BY WHITE MEN ONLY.

As there is but ONE NATIONAL ORGANIZATION professing these sentiments and committed to their maintenance, the NORTH CAROLINIAN will steadily advocate the abandonment of all other party names and organizations, and yield a hearty co-operation with that organization—the

NATIONAL DEMOCRATIC PARTY.

THE NORTH CAROLINIAN,

Will contain the freshest News, by telegraph and otherwise. Full reports of all Legislative Assemblies will be furnished its readers.

Particular attention will be paid to State news, and each number will contain a complete epitome of every incident reported in the State press.

MARKETS will be carefully reported.

CONGO MEETING IN ROBESON COUNTY.

The "Black"-inside and outside-"Inpublicans," as a sable orator of the party in Eastern North Carolina felicitously styles them, held a meeting in Lumberton, Robeson County, on the 1st to appoint delegates to the Congo pow-wow to be held in this city on the 26th.

Among the resolutions adopted, we find one expressing the preference of the meeting for the "accomplished soldier and *enlightened statesman*, U. S. Grant, the General-in-Chief of the armies of the Union, whose first and only surrender was to law and to order."

This is polished irony—withering sarcasm. The resolution bears the impress of the master-mind of Rev. James Sinclair, "the fighting parson," so-called, who wields a pen in peace not less vigorously than he did the sword, when he gallantly *led* his regiment *from* the fight at Newbern.

◆

The following circular letter, from the well known house of J. B. Hunter & Co., Portsmouth, Va., contains matter of so much practical importance that we cheerfully give it space in our columns. In these times of scarcity and depression, he who opens up an undeveloped branch of trade, may justly claim to be a public benefactor:

The numerous applications we are receiving daily, induces us to publish this Stave Circular, for the information and guidance of parties who may wish to engage in this business. If the following directions are followed, and timber can be had near the Rail Road, (so as to save hauling long distances,) we do not hesitate to recommend stave getting as a good paying business.

White oak pipe staves should not be less than 54 inches long, 3 to 3½ inches wide, and full ¾ inch thick on the thin edge.

White oak hogshead staves, not less than 42 inches long—same width and thickness as pipe.

Headings (which are only made of white oak) may be 28–30, and 32 inches long, 5 inches wide, and ¾ inch thick on thin edge.

Red oak hogshead staves must be not less than 42 inches long—same width and thickness of white oak hogshead. They may be made with sap on, all bark off.

All white oak staves must be clear of sap.

But little dressing is necessary, which is done with the common drawing knife, and only to make them as near of uniform thickness and width as possible. Be sure to have them of full length, size and thickness. If not, they will be "culled," and sold for half price.

The following are the prices at which they are sold from cars (no drayage) in our market:

White oak Pipe $90 to $95, per M of 1,200 pieces.

White oak Heading $58 to $60, per M of 1,200 pieces.

White oak Hogshead $67 to $60, per M of 1,200 pieces.

Red oak Hogshead $48 to $50, per M of 1,200 pieces.

These prices, like everything else, are subject to slight fluctuations. The demand is always good, and they can be sold for cash at all times.

Any other information will be cheerfully given by addressing them.

CITY AND STATE.

The So-Called.

A space in your column, dear Local, I crave,
To describe the Convention—that dignified, grave
And august congregation of blockhead and knave,
Who have met—so they tell us—our good State to save.

As for President Cowles, ring-master and clown,
Boss of the convention, and butt of the town,
To mention about him one half that I know,
Would take a whole column, like Castello's Big Show.
Like old Peter, the Hermit, a blood-thirsty priest,
Comes one General *Abbott*, who hails from down East—
Once adjutant general, as he said in debate,
Of New Hampshire—would God he had stayed in his State.
And *Ashley*, the Pilgrim, from pious Cape Cod,
Though a preacher, thinks nothing of asking his God
To bring down damnation on th' innocent head
Of the poor North Carolinian—at least, so it's said.
To render more pleasant to a delicate nose
The conglomerate odor, there are *Sweet-Blume* and *Rose*,
And a *Garland* beside—and if these should all fail,
There's some old crab-grass *Hay*—to be sure, rather stale—
Of whom in the lobbies the enquiry passes,
"How can *he* be secure amongst so many asses?
Cox, too, must take care, for him its no fun to
Know that he's sitting by dread "chicken Gunter!"
And should chickens give out, it is no cause for mirth,
To think of the cannibal's asking "what's Duckworth?"
The Edgecombe mulatto can laugh and be merry,
For though he's not white, he's no black-hearted *Cherry*.
From Chowan and Bladen, and Rockingham too,
Three *French* men are sent—a degenerate crew!
And a Fisher is there, but like Robeson Hays, he
Should go to his namesake, who has charge of the crazy.
From Lenoir and from Lincoln there cometh a King,
Each a radical, weak-minded, ridiculous thing.
There's *Long*, *Mann* and Hyman, and Highsmith beside,
But which is the highest I cannot decide—
High-Smith once was Smith—but, 'tis said on a hot
July day he was nicknamed *high* Smith, and why not?
McDonald of Chatham, the people to conjure,
Prates much of relief, but thinketh of gunger;
And looketh on Hood with cannibal eyes
Because of the ginger-cake color he spies.
A Hayes o'er the Convention did Halifax fling,
And Nash sent a participle, ending in *Ing*.
There's Grant with a colleague, who wondrous to tell,
Though far in the Wayne, can yet *Hollo-well*.
To the Emerald Isle we'll accredit, I ween,
The man they call "Patrick," who hails from Greene.
An amiable Dives, with much honor and wit,
Is the *Rich* man that hails from the bottomless *Pitt*—
But all *his* constituents—say what they may—
Have surely got *Rich* on eight dollars a day.
There's only one delegate, I should prefer,
To call by his name, and that would be "Well, cur!"

* * * * *

In running my eyes down the roll, sad to tell,
I've read Tourgee's name—am sick–so, Farewell!

Aliquis.

Leap Year.

This being Leap Year, the ladies are allowed the privilege of taking the initiative in all those "tender little acts of admiration and devotion which make up so large a part of that most delicious stage of human experience, which begins with falling in love, and ends—if events progress auspiciously—with a proposal of marriage.

According to the New York Sun, "it is now the lady's part to make the first trembling, fearful, anxious advances. She will send the bouquets and sing the serenades. She, finally, taking advantage of some lull in the intoxicating whirl of the dance, or of some kindly shade in the afternoon stroll, or any of those thousand protecting accidents that are ever wont to befriend true lovers, will whisper the momentous question, and, we presume, offer the first thrilling kiss when the hoped-for affirmative response has been sighed forth in blushes."

That the proposed reform is an innovation cannot be denied, but like Mr. Rodman, the distinguished Konvenshun delegate from Beaufort, we "are not afraid of innovations when they come properly and in proper shape;" and believing, as we do, the new method to be convenient and pleasant, that its results will be satisfactory as well as reformatory, and that it "comes properly and is in proper shape," we hereby proclaim ourselves its advocate and friend against any and all opponents or antagonists whatsoever.

Personal.

The curiosity of O. H. Hayes, the sneaking scallawag delegate from Robeson county, was wonderfully excited at the appearance of this reporter in the lobby yesterday morning, and he earnestly enquired of the Sergeant-at-arms who we were, and the meaning of our presence in the Menagerie.

What information he obtained from the Sergeant-at-Arms, we neither know nor care; we take much pleasure, however, in stating, for the particular benefit of Mr. Hayes, that he will know us *better* in a day or two; we also incline to the belief that before we are through with this pert "down Easter," it will occur to the "gent" that we know much more about *him* than we—ought to.

For a short *spatium temporis*, adieu Mr. Hayes—you'll hear from us again—"you bet."

Organizing.

The white men of Halifax meet at the County seat on Monday next, for the purpose of organizing for the canvass against the Constitution, in process of preparation by the Congoes at the Capitol.

The Warrenton Courier publishes a call, signed by Hon. Weldon N. Edwards, Col. Wharton J. Green and Capt. Benj. M. Collins, requesting the white men of old Warren to meet at Warrenton on Monday for a similar purpose.

Our friend Englehard, of the Wilmington Journal, discourseth thusly of the "Yarborugh," as kept by Blair:

During our recent visit to Raleigh we were the guest of that prince of landlords, Blair, of the Yarborough House. To say that Blair was himself, is but to tell our readers that we were most excellently well cared for. Over-crowded as was the Yarborough during the meeting of the Conservative Convention, none could complain of any want of attention, or the quality or quantity of the bill of fare.

By the way, "mine host" of the Yarborough House is no longer left without a rival in the State. Col. Davis, of the Purcell House in this city, has entered the field. Look well to your laurels, friend Blair, or you will have to yield the palm.

The Fayetteville News records a most distressing accident which occurred in that town on Friday last, resulting in the death of Robert Mitchell, son of Robert Mitchell, Esq. Robert, with two or three playmates, was playing on and about a flat-car on the rail road. Another flat-car, loaded with wood and pushed by two or three of the railroad employees, struck the car upon which young Mitchell was playing and threw him upon the track. The empty car, taking its motion from the wood car, was driven over his body. He died in about an hour. Let this be a warning to boys and their parents. Rail road shops and tracks are dangerous places for careless, thoughtless children.

Mr. Wm. F. Burch, an old and esteemed citizen of Wilmington, died in that city on the morning of the 12th. Mr. Burch was a member of the Order of Odd-Fellows, with which fraternity he had been connected for many years.

ROSADALIS WILL CURE THE WORST CASES OF SCROFULA. READ THE STATEMENT BELOW, AND DESPAIR NOT.

Wilson County, Sept. 10, 1867.

Dr. J. J. Lawrence:

Dear Sir—My youngest daughter, aged five years, has been dreadfully afflicted with Scrofula nearly all her life. I tried a great many Physicians, but without relieving her much; in fact, most of them said there was no hope of cure.—During the last Spring she was worse than ever, her body and limbs being covered with sores and blotches—with face and eyes badly ulcerated and swollen. Whilst in this condition, I was advised by Dr. L. A. Stith to try your Rosadalis. I at once procured three bottles, and commenced giving it to her. *The effect was magical. In less than a month*, to my great astonishment, *she was entirely well.*

I am, sir,
Yours, with respect and gratitude,
W. W. BURNETT.

ROSADALIS CURES ALL SKIN DISEASES.

Wilson, N. C., Sept. 15, 1867.

Dr. Lawrence—Dear Sir:—In 1862 my son, now aged five years, was vaccinnated with what proved to be impure matter, which completely destroyed his health. He has been afflicted with an inveterate and extremely troublesome *Eruption of the Skin*, sometimes breaking out in sores, &c. Rosadalis was prescribed by my family physician—Dr. A. D. Moore. After taking it a few weeks, my son became and remains *entirely well*. Yours truly,

J. B. DANIEL.

I know of several others in this County, *cured* through the use of the Rosadalis, and it can be found in nearly every house in my neighborhood, and they all praise it as a great medicine.

40 YEARS.

Deems' Southern Hepatic Pills, are made and sold by the discoverer, that old and well-tried remedy for all diseases caused by *DISEASED LIVER*, which is attended with all the symptoms of Consumptions. In 1825 the Discoverer was reduced to a mere skeleton, and was pronounced by three of the most skillful physicians of one of our largest cities, to be in an advanced stage of Consumption, and beyond cure. He then began to try experiments on himself, and after many efforts discovered (by the help of an Indian) the remedy which wrought in him a perfect cure. He is now in the 78th year of his age, and at this advanced stage of life retains an excellent constitution. In 32 years itinerating in the ministry, he has seen more than a thousand persons, who were given up to die of Consumption as beyond cure, dragging out a miserable existence, not knowing what ailed them, they were cured by these Hepatic Pills, and afterwards enjoyed the most perfect health.

There is in these Pills a peculiar combination with an article which has probably never before been used as a medicine. They are highly strengthening, and mild in their action on the bowels. In the preparation of these very superior and excellent Pills, no cost or trouble is spared to insure the greatest possible degree of perfection, in point of utility, excellence and comfort; the advantage in these Pills, therefore, is that a cure must be radical and complete, without the necessity of incorporating such drugs into our Pills as to break down the system in one part to remove the disease in another, and leave the patient to groan under worse diseases than heretofore. Where these Pills are known, especially in the Southern States, where they have been used so extensively, they need no recommendation, their merits are so well known by their results, which has given them a reputation that has brought them into great demand. They are therefore destined to be, at no distant day, the only remedy recognized and used by the people where billious diseases are so prevalent.

They can be sent to any point in the United States by mail or express.

Price:—25 cents per box, $2 50 per doz. By the gross, $1°. The cash must either accompany the order for the Medicine, or it will be sent C. O. D. Address

LATEST NEWS TO THE FARMERS OF North Carolina.

Your attention is called to my large stock of Agricultural Implements, Iron Steel, &c., &c.

Corn and Cotton Planters, Corn Shellers, Hay, Shuck and Corn Stalk Cutters, Fan Mills, Plows, of every kind, Harrows and Cultivators, Spades, Shovels Forks, Brier Hooks, Iron Axles, Springs, Cart & Wagon Boxes, &c.

I call particular attention to Billup's Centreboard Cotton Scraper, and to Billup's Dixie Plow. The first is warranted to be the best Scraper ever yet invented, and the Farmers are requested to test its merits in connection with any other kind. The Dixie Plow is freer from choking than any other yet made; will pass through the ground with less power, and do better work than any other kind. This is no vain boast. 'Tis easy to claim superiority; hence I ask a trial.

If Farmers are not satisfied, the money will be refunded.

SONG.

BY ALICE CARY.

Come out to the side of the sea, my love,
 Come out to the side of the sea,
The robins are singing well to-day
 And the winds and the waves agree;
But song of robin, nor song of wave,
 Brings pleasure or peace to me—
O come, for I sit and wait alone,
 On the rocks by the side of the sea!

I am going down in my memory
 To the blessed long ago,
When the golden ground of the buttercups
 Was dashed with the daisies' snow,
And I'm thinking of all you said to me,
 And if it were true or no,
While I watch the tide as it runs away
 From the beach so black and low.

If I should die, my love my sweet,
 Die of your smile forlorn,
Bury me here by the side of the sea,
 Where all of my joy was born.
Where the waves shall make my lullaby,
 And the wind from night till morn,
Shall say to the rocks, "She is gone to sleep
 Where all her joys were born."

In the monthly report of the Bureau of Statistics for December, lately issued by Mr. Delmar, the present crop of cotton is estimated at about 2,700,000 bales, and increase of 31 per cent. over the crop of the previous year, which was 2,076,000 bales, and a decrease from the crops of 1859-'60, the largest ever grown, which was 4,675,000 bales. The report says that there is no doubt that the sale of this crop will leave planters in an impoverished condition, and that the fact that present prices are materially below the cost of production will lead to a considerable reduction in the area planted next season.

The total imports for the four months ending October 31, 1867, were $130,960,200 of which $120,575,742 were dutiable and $10,384,458 free.

The total exports during the same period were $122,319,749. The leading articles were: Gold, $24,989,764; Breadstuffs, $25,826,039; Tobacco, $14,805,505; Cotton, $14,603,415; Provisions and tallow, $11,731,756; Coal oils and petroleum, $7,621,677.

"Yuba Dam" assigns sundry reasons for declining to be a candidate for the Presidency.—Among them are:

I don't know how many stars there are on the American flag, and I don't care a cuss.

When my term of office should be terminated by pistol or poison, I don't want Mary Jane accused of stealing the silver-ware, the sheets, towels, table cloths, diapers, napkins and other table-ware of the White House.

I cannot bear the thought of having that angelic being compelled to show her old clothes for a living.

After the death of Bishop Polk, in his left breast pocket was found his book of Common Prayer, and in the right four copies of a little manual entitled "Balm for the Weary and Wounded." Upon the fly-leaf of three had been written the names respectively of "General J. E. Johnston," "Lieutenant General Hardee," "Lieutenant General Hood," with the "compliments of Lieutenant General Leonidas Polk, June 12, 1864." Upon the fourth was his own name.

Nothing is more amiable than true modesty, and nothing more contemptible than that which is false; the one guards virtue, the other betrays it. True modesty is ashamed to do anything that is repugnant to right reason; false modesty is ashamed to do anything that is opposed to the humor of those with whom the party converses.

An old picture represents a king sitting in state, with a label, "I govern all"—a bishop with a legend, "I pray for all"—a soldier with a motto, "I fight for all"—and a farmer, drawing forth reluctantly a purse, with the inscription, "I pay for all." There is more truth than poetry in the idea.

That flattery is most successful which ascribes to us some quality that we do not possess, rather than bestows commendation on any which we have; for all men are apt to disregard those virtues or talents which are actually in them, and aspire to the reputation of those which they have not.

PROSPECTUS OF THE WESTERN VINDICATOR.

On or before the 1st of March, prox., the undersigned will commence the publication of a weekly newspaper bearing the above title, in the town of Rutherfordton, N. C.

The Western Vindicator, as its name signifies, will be devoted to the support of Western interests and the dissemination of useful intelligence, selected with especial reference to the wants of the section it will labor to represent.

Politically, it will, for the present, adhere to no party organization; but will give a cheerful support to all measures looking to the speedy restoration of the Union, the preservation of the Constitution *intact*, the supremacy of the white race, and the perpetuity of Republican liberty in America.

The "Vindicator" will have a larger circulation in Rutherford, Polk and Cleaveland counties than any other newspaper. Advertising rates low.

Terms—$2 per annum.

PLAN OF ORGANIZATION OF THE CONSERVATIVE PEOPLE OF NORTH CAROLINA.

STATE ORGANIZATION.

A State Committee, to consist of a chairman and thirty members—six of whom shall reside in Raleigh and three in each judicial district—to be appointed by the State Convention.

The committee shall have power to maintain its organization by filling vacancies, &c., and shall take charge of all matters relating to organization, registrations, &c., and a proper canvass of the State.

DISTRICT ORGANIZATION.

The members of the State Committee in each judicial district shall constitute a district Committee for their respective districts and shall appoint a Chairman, and shall take charge of all matters relating to county organization, &c., in their respective districts; and shall report all matters relating thereto, to the Chairman of the State Committee.

COUNTY ORGANIZATION.

It is recommended that each County, by popular meetings or through the medium of existing organization, appoint a County Committee, to consist of at least two persons from each Captain's District within its limits.

The County Committee shall take charge of all matters of registration, local organization, &c., within the County, and is requested to make monthly reports to the Chairman of the District Committee, and when necessary, to inform him of such local matters as may require the attention of the District Committee.

It is further recommended that each County Committee cause to be enrolled the names of all the registered voters of their county, who are willing to act and vote with this organization—no man to be thus enrolled without his express consent; and, also, that they cause to be enrolled on a separate list the names of all those who are entitled to register, but who have not done so, and that they use every exertion to secure their registration and active co-operation.

PLATFORM.

The Conservative people of North Carolina, having by their delegates assembled in Convention at Raleigh, on the 5th of February, 1868, to consider the present anomalous condition of the State, and of the country, and to consult together upon the grievances which now afflict and threaten them, and the course of action proper to be adopted in the trying circumstances which surround them, do resolve and declare

1. Our unalterable devotion to the principles of Constitutional liberty, and our fealty to the government of the United States, as set forth in the Federal Constitution. That we sincerely and in good faith accept the legitimate and legal results of the late war, and do hereby reiterate our oft repeated declaration, that we most heartily desire peace and concord with our sister States, and with the entire people of the United States.

2. *Resolved*, That regarding the Constitution of the United States as the source of all power in the administration of the government, and that the powers of the Executive, Legislative and Judicial department are equal and co-ordinate, as defined by that instrument, we do respectfully and solemnly protest against the enforcement upon our people, of the Reconstruction Acts, and policy of Congress, as unconstitutional, unwise and destructive to society, and violative of that great principle of American politics, that each State shall have the exclusive control of its own internal offices.

3. *Resolved*, That it is the opinion of this Convention that the great and all absorbing issue, now soon to be presented to the people of the State, is negro suffrage and negro equality, if not supremacy, and whether hereafter in North Carolina and the South, the white man is to be placed politically and, as a consequence, socially, upon a footing of equality with the negro, and, in many localities, subject to his government as a superior. That we are utterly opposed to such change in our government and in our social relations, and that we do hereby earnestly recommend to the people of the State to manfully meet the issue now attempted to be forced upon them, and to use every proper measure within their power to avert the impending mischief.

4. *Resolved*, That while we are unalterably opposed to political and social equality with the black race, we yet have no unjust prejudicies against that race, that we are determined, by just laws, to protect them fully in all their civil rights, and to confer upon them all privileges which can be done consistently with the safety and welfare of both races.

5. *Resolved*, That the distressed and impoverished condition of our people earnestly demands the speediest and wisest measures of relief that the Legislature can devise.

6. *Resolved*, That this Convention recognizes, with feelings of gratitude, the heroic and patriotic efforts of the President of the United States, to restore the Union and harmony and good will among the American people.

7. *Resolved*, That this Convention regards the Supreme Court of the United States as the legitimate expounder in the last resort of the Constitution—and believe that its rights and powers, in that respect, should be preserved intact as established by law in the earlier and better days of the republic, and that any serious impairment thereof, by legislation or otherwise, will be destructive to the best interests of the country, and dangerous to the liberties of the people.

8. *Resolved*, That despairing of any restoration of the Southern States under the conduct of that organization which now controls the proceedings of Congress, waiving all former party feeling and prejudice, this Convention does most unhesitatingly recommend and invite the hearty co-operation of all the good people of North Carolina with the Democrats, and Conservative men of the North and West, who are now nobly struggling for the maintenance of the Constitution of the United States, and the restoration of the Southern States to their rights in the Union, on the solid foundation of harmony and peace.

9. *Resolved*, That this Convention elect four delegates and four alternates for the State at large, to represent the conservative people of North Carolina in the next Democratic National Convention, and that it recommend to the conservative people of the several Congressional Districts, to appoint delegates at an early day to represent them in said Convention.

10. *Resolved*, That when an election shall be ordered for the ratification of a new State Constitution, the Executive Committee for the State, hereafter to be appointed by this Convention, be instructed, if the time shall be sufficient to call a Convention of the Conservative people of the State, to put in nomination candidates for the various State offices whose election shall then be ordered, and if there shall not be sufficient time to call said Convention, to put in nomination sound Conservative men for said office.

I call particular attention to BILLUP'S CENTREBOARD COTTON SCRAPER, and to BILLUP'S DIXIE PLOW. The first is warranted to be the best Scraper ever yet invented, and the Farmers are requested to test its merits in connection with any other kind. The Dixie Plow is freer from choking than any other yet made; will pass through the ground with less power, and do better work than any other kind. This is no vain boast. 'Tis easy to claim superiority; hence I ask a trial.

If Farmers are not satisfied, the money will be refunded.

40 YEARS.

DEEMS' Southern Hepatic Pills, are made and sold by the discoverer, that old and well-tried remedy for all diseases caused by *DISEASED LIVER*, which is attended with all the symptoms of Consumptions. In 1825 the Discoverer was reduced to a mere skeleton, and was pronounced by three of the most skillful physicians of one of our largest cities, to be in an advanced stage of Consumption, and beyond cure. He then began to try experiments on himself, and after many efforts discovered (by the help of an Indian) the remedy which wrought in him a perfect cure. He is now in the 78th year of his age, and at this advanced stage of life retains an excellent constitution. In 32 years itinerating in the ministry, he has seen more than a thousand persons, who were given up to die of Consumption as beyond cure, dragging out a miserable existence, not knowing what ailed them, they were cured by these Hepatic Pills, and afterwards enjoyed the most perfect health.

There is in these Pills a peculiar combination with an article which has probably never before been used as a medicine. They are highly strengthening, and mild in their action on the bowels. In the preparation of these very superior and excellent Pills, no cost or trouble is spared to insure the greatest possible degree of perfection, in point of utility, excellence and comfort; the advantage in these Pills, therefore, is that a cure must be radical and complete, without the necessity of incorporating such drugs into our Pills as to break down the system in one part to remove the disease in another, and leave the patient to groan under worse diseases than heretofore. Where these Pills are known, especially in the Southern States, where they have been used so extensively, they need no recommendation, their merits are so well known by their results, which has given them a reputation that has brought them into great demand. They are therefore destined to be, at no distant day, the only remedy recognized and used by the people where billious diseases are so prevalent.

They can be sent to any point in the United States by mail or express.

Price:—25 cents per box, $2 50 per doz. By the gross, $1°. The cash must either accompany the order for the Medicine, or it will be sent C. O. D. Address
